

Invitation to JSA/WAO Joint Congress 2020

September 17-20, 2020

Kyoto International Conference Center, Japan

Warm greetings from Kyoto, Japan!

Please join us at the JSA/WAO Joint Congress 2020, being held in conjunction with the APAAACI/APAPARI 2020 Congress in September 2020 in Kyoto, Japan!

Abstract submission and pre-registration opens on September 24, 2019!

Please make sure to submit your abstract(s) before March 23, 2020 to showcase your research at JSA/WAO Joint Congress 2020.

Authors are asked to submit abstracts under 23 topics, including case report.

We are happy to announce that travel grants are available for international delegates who are in “fellow-in-training” category. Don’t forget to apply!

You will need to complete your pre-registration and submit an abstract in order to be qualified.

Travel Grants and Awards available to abstract submitters include:

1) Travel Grants

(Travel support and up to 4 nights of your accommodation in Kyoto)

Pre-registration and abstract submission is required to be qualified.

2) Best Presentation Awards

(Winners will be decided and announced in each session at the joint congress)

Save up to 25,000JPY on Registration!

We encourage you to register for the joint congress in advance to take advantage of discounted registration rates. The early registration rate is available through June 8, 2020.

Cultural Experience and Networking Opportunity

There will be lots of opportunities to meet your old friends and make new friendships.

We welcome you to our opening ceremony and welcome reception on Thursday evening. Please make sure to reserve your welcome reception ticket (5,000JPY) when completing your registration.

Newsletter Vol. 1

September 19, 2019

Welcome reception will take place in the Garden area at Kyoto International Conference Center. We will prepare authentic Japanese food and drinks that will satisfy your cravings and fireworks show over Takaragaike pond is also scheduled to make a night even more memorable! (Tickets are sold on a first-come-first-served basis! Only 400 tickets are available.)

Scientific Program

We are pleased to announce that distinguished guest speakers from all over the world are confirmed to attend our joint congress, including Prof. Shimon Sakaguchi, an immunologist who is best known for his discovery of regulatory T cells as a Keynote Lecturer on September 14, Thursday.

Confirmed speakers and tentative session information are available on our website!
